MANDY LÍ  
C O L L E C T I O N

*The illusion expensive...the reality affordable.®*

At Mandy Li Collection we are constantly striving to provide only the best-in-class products and services to our clientele. Our number one goal is to listen to your needs and create custom furniture that ensure the design and functionality vision is met above and beyond with an astute attention to cost.

The following pages showcase a sampling of the custom fabricated pieces that Mandy Li Collection produces from concept to completion.

Mandy Li Collection offers custom made pieces that are best-in-class when it comes to design, durability and quality craftsmanship.

Incomparable design combined with color  
creates depth to any environment.

The hospitality industry today holds a constant need for solely creating environments that evoke an inviting atmosphere to their visiting patrons.

Custom fabrication of hospitality furniture is just one of the core abilities of the Mandy Li Collection. We take pride in the versatility of our designs and the durable construction of each piece that comes out of our factory.

Our craftsmen build durable pieces that can handle the heavy wear-and-tear of the hospitality industry.

Jade Wood is our signature sustainable product that is an engineered wood which derives from fast growing trees and bamboo. It is a very beautiful and versatile product that's cost efficient.

Our diverse product line of granite, quartz and marble enhance the designs of our custom-made furniture.

Creating a cohesive look made from quality materials can produce an elegant statement within your designed space.

Simplistic or detailed, each of our vanities are made with quality design and functionality in mind.

Our keen attention to detail and the ability to understand the balance between design and functionality sets us apart from our competitors.

We strive to always meet our clients vision and design intent in all the furniture pieces we create at Mandy Li Collection.

We offer a variety of door styles to fit any of your design needs.

All of our sliding barn style doors are easily installed using our signature track and glide system. The slider hardware system can either be exposed or hidden with a matching wood valance. For more information ask your Mandy Li Collection Sales Representative.
